Southwest College of Biblical Studies \*\* P.O. Box 911 \*\* Pine Valley, CA 91962

## NEW COURSES IN PROGRESS

There are two courses in progress at Donovan Correctional Facility in San Diego: Bible Study Methods in Philippians & Preparation For Leadership 1. The **Philippians course** covers 19 methods of study & lasts for 11 weeks. The **Prep For Leadership** course covers personality analysis, spiritual gifts, personal testimony development, and the 10 major doctrines of the faith. It lasts 16 weeks.

The college began the process of incorporating as a non-profit California organization earlier in the summer. It is a slow process but we are still pursuing that status. Pray for us that all steps will be done properly, and that this move will honor God & be in the best interests of the college. Pray also for the board members who will join our team.

## PERSONAL

## KAIROS WEEKEND

I (Bruce) served on the clergy team for a weekend conference inside yard 1 of Donovan Correctional Facility the weekend of September 25. It lasted four days, and reached 36 men with the need to know God for the first time or to know Him better. It allowed me to meet men who may eventually become interested in studying the Bible more deeply.

This past summer has been a time of personal reflection and growth. I was too busy with "God's work" so I slowed down some. Despite the busyness of our lives, Liz and I have made every attempt to focus on each other more. I have enjoyed doing some reading for my own enjoyment, and I have squeezed in some home projects that have long been put off. I have also been meeting with various Christian men for studies, fellowship, and accountability. Liz's employment ended October 7, 2004. Pray for us that God will strengthen us for the tasks at hand, and will provide the needed funds for our family needs.

## CURRENT PROJECTS

Please pray as I continue working on two writing projects for use in the Bible college programming: Living the Faith You Claim To Have: A Study in James & Dealing With Shame.

THE ENCLOSED BROCHURE IS SENT TO A PROSPECTIVE STUDENT.
