"A Worker"

So, neither he who plants is anything, nor he who waters, but God Who gives the increase. Now he who plants and he who waters have one purpose, and each one will be rewarded according to what he did.

1 Corinthians 1:7-8

Being a worker is an honorable role. You know what needs to be done, you do your part, you don't care who gets the credit. You care about two things: honoring God & being faithful.
