## ***"Place of Victory"***

*But thanks be to God! He gives us the victory through our Lord Jesus Christ. Let nothing move you. Always give yourself fully to the work of the Lord, because know that your labor in the Lord is not in vain.*

***1 Corinthians 15:57***

**You may face hard times and disappointments, but you can be grateful to God that you will come through in victory, progress, and success. Your confidence in God is a message to all who know and watch you. God gives us the victory.**
