Using the book of Philippians - chapters 1-4, perform the following tasks:

- 1. In all the chapters (1-4), look for the word "rejoice" or "joy". List all the verses down the left side of your page.**
- 2. Then, write what each verse says Paul was joyful about. If you cannot tell, then write what is written with/near the word. In other words, what is causing or motivating this joy?**
- 3. In chapter 2:5-8, describe how Christ humbled himself. List each way in which Christ demonstrated humility.**
- 4. Down the left side of your page, list all the verses in chapter 2 where the word "God" is mentioned (not Jesus Christ). This would be describing God the Father. How is He described in each verse listed?**
