"Not Home Yet"

For many... set their mind on earthly things. However, our citizenship is in heaven, from which we also eagerly wait for the Savior, the Lord Jesus Christ Who will conform our bodies into His glorious body.

Philippians 3:19-20

This world is not your home; you're just passing through. However, you have never been so heavenly-minded that you were of no earthly good. You have faithfully honored God here in preparation for spending eternity with Him.
