February 15, 2023

Dear Family & Friends,

We wanted to send out a quick note before we hit the road to Valley State Prison in Chowchilla, CA.

We will be participating in a Kairos Weekend from Feb. 17-20, 2023.

Pray that the men (approximately 35) will be prepared by the Lord to hear that God loves them, they are forgiven, they need to forgive, and that God considers them valuable to Him.

If the song "Holy Ground" comes to your mind this weekend, sing it out loud. That will remind you that we on the team will be ministering on "holy ground" inside that prison. **WHEN GOD DOES A WORK IN THE HEART OF A MAN, TO GOD - THAT IS HOLY GROUND.**

Thanks for your prayers for our health. We are both healing up from urinary surgery (Bruce) and cataract surgery (Liz).

Pray that we will be clear, honest, and vulnerable as we share what God can do in a life that chooses to follow Him.

On the Move,

Bruce & Liz Leary
