## DISCOVERY THROUGH STUDY

AFTER A WEEK FULL OF VICTORIES & FAILURES, LET'S EVALUATE.

1. When you were a kid, what did you do if you needed an answer to a personal question or guidance?

---

2.   Y   N      When searching for answers, did it matter to you if the person, or book or TV program was reliable & truthful?

3.   Y   N      Did you ever find out later that your source of help was wrong?

*Jeremiah 33:3 - God said to Jeremiah, "Call unto Me and I will answer you, and will explain to you things that no one else can."*

4. If you needed to know about the meaning of life, who would the best person to talk to? \_\_\_\_\_

5.   Y   N      If I told you that the Bible would be the best place to look for answers to life's issues, would you agree with me?

*2 Peter 1:16 - For we did not follow cleverly contrived myths when we made known to you the power and coming of our Lord Jesus Christ; instead, we were eyewitnesses of his majesty.*

6. Peter said that instead of making up religious thoughts & weird beliefs, he and his disciple colleagues saw everything about Jesus with their own eyes.

  Y   N      Would you tend to believe eyewitnesses more than others?

*2 Peter 1:20-21 - Above all, you must understand that no teaching of Scripture came about by the writer's own interpretation of things, for Biblical teaching never had its origin in the human will, but regular men, though human, spoke from God as they were carefully guided along by the Holy Spirit.*

7. Even though men wrote the Biblical text, whose words are they really? \_\_\_\_\_

8. Who guided the accuracy of the Biblical text?

---

9.   Y   N      If God says the Bible is trustworthy, can you trust it to be right?

*John 16:13 - The Spirit of truth ... will guide you into all truth: for He shall not speak of himself; but whatever He hears (together with the Father and the Son), that shall he speak: and he will shew you things to come.*

10.      What is the Holy Spirit called? \_\_\_\_\_

11. Y N The Holy Spirit guarantees that the Bible is straight from God. What does the Bible say about the things troubling me? Do some studying.
