The Greek god of Zeus was probably first mentioned & worshipped about 700 BC. That would include his appearance on images, idols, pillars, coins, etc. The Roman coins with Caesar shown started about 47 BC & continued through the years with other rulers' images all the way through 337 AD. Rulers (Caesars) were considered gods and were worshipped.

10. Y N Do you think people were worshipping images & idols between after creation and when the Old Testament ended? (I know - stupid question) - Proceed to Session #8
