

PRAYER ALERT

September 2000

Prison Chaplains

Please pray for the men and woman who work for the state and serve the Lord inside the prisons. These people have to conduct church services, provide counseling to individual inmates, solicit volunteers to help in the prisons, and work within a worldly system. They represent us in an environment where the devil is alive and well. Remember these folks in your prayer time. They are under attack; they are stretched to the limit; they often serve alone. Pray specifically for Chaplain Steve.

Our Students

Most of our students are inmates at Donovan Correctional Facility in San Diego, CA. However, we have other inmate students in prisons scattered across California. Our goal for these men is that they will develop a love for God's Word, and will learn the skills necessary to dig out the truths of the Bible. Even more important, our prayer for them is that they will allow God to build these truths into their lives. We want changed hearts, not just filled heads. Pray specifically for John R.

College Finances

Ask God to raise up believers who will stand with us in teaching the skills of Bible study to prison inmates. We need funds to print materials, correspond with inmates, and to support the director. Pray specifically for those who would sponsor an inmate in his studies.

Our New Program

Ask God to give us wisdom as we develop the new "Bible Study Methods Course Facilitator program". This program trains selected inmates located in various prisons how to study the Bible in depth; it then trains these same guys how to help other inmates to study the Bible in depth. Studying & applying the Word will change our lives; it will change the lives of inmates too. Pray specifically for Mando as he gets excited about these studies & then shares his enthusiasm with his brothers on the prison yard.
