

Prayer Chain Gang

Prayer Alert

The Inmates

1. Pray for a calm on the prison yards. Ask God to diffuse the need for inmates to cause violence to get their way or to control others.
2. Ask God to supernaturally change the hearts of opposing gangs or racial groups toward one another.
3. Pray that there will be unity in the body of believers inside any given prison yard.

The Ministers

1. Ask God to keep us available and faithful in the ministry task that we perform.
2. Pray that God will put protection around the staff chaplains and their families.
3. Pray that God will guard the time needed for the chaplains to personally study God's Word.
