Prayer Chain Gang

Dear friends of the Bible College,

The time has come to get serious about taking on the enemy. We teach in the prisons regularly, and we ask the Lord to guide us and use us. He has. We ask Him to draw the men & then to bring them to maturity. He is doing that too.

However, the Devil is not pleased. He is attacking our chaplains, inciting racial unrest, promoting policies to hinder religious programming, and causing general apathy and hostility among many inmates. The "Enemy" is too great for us. However, "greater is He Who is in us than he who is in the world." The inmate brothers are worth fighting for, not to mention the men who still need the Lord.

Join us for **REGULAR, COMMITTED** prayer.

See the other side of this sheet for details.
