

CORR MINISTRIES

Bruce & Liz Leary

February 23,2024

Dear Brother,

It has been some years and a big chunk of life since we talked last. I know that you have faced challenges and disappointments just as we have. Our stuff has been mostly health-related and ministry adjustments.

In years past you have either taken Bible college courses from us, or we ministered in a prison near you. Whatever the case, greetings again.

We are just checking in. If you have time to holler back at us, we would love to hear from you.

Yes, we still offer college courses; we still participate in Kairos Weekends; we still teach TUMI with Prison Fellowship. I hope you are finding a good source of Bible study materials. I am convinced that if I am not studying the Word in a regular & serious manner, my spiritual growth will slow way down.

I have included a Bible study for you if you are interested.

Cordially, Bruce & Liz Leary Psalm 84:11
